

PERIODONTICS & IMPLANT DENTISTRY PA  
Bear Brook Study Club

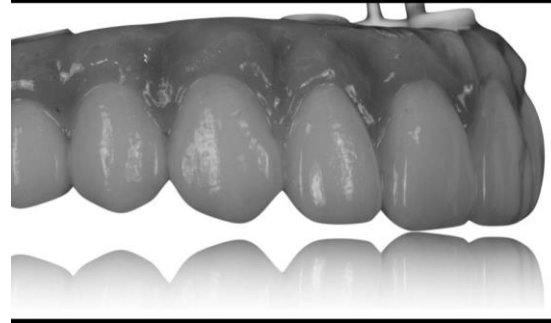

**WEDNESDAY APRIL 3, 2019 - ALL DAY SEMINAR**

**Dr. Saj Jivraj-Prosthodontist  
USC School of Dentistry,  
Eastmann Dental Institute, London**

## **From Diagnosis to Delivery – Adhesive and Implant Dentistry**

### ***Course Synopsis***

To create implant and tooth supported restorations with harmonious gingival contour that emulate nature is a fusion of science and art. This presentation will focus on diagnostic aspects so predictable outcomes can be achieved. A systematic treatment sequence will be presented to achieve highly esthetic results when performing implants and bonded porcelain restorations

### **Course Credits**

Continuing Dental Education Credits: 7

\*The Bear Brook Study Club is designated as an Approved PACE Program Provider by the Academy of General Dentistry. The formal continuing education programs of this program provider are accepted by AGD for fellowship, Mastership and membership maintenance credit.
